## GT Band Requirements by Marking Period

Name \_\_\_\_\_ Marking Period \_\_\_\_\_

**In order to receive GT credit you must complete two GT experiences each marking period. This form is to be completed and turned by end of each marking period. Please attach any necessary documentation. You can turn it in at any time during the marking period. It will not be accepted late. The highest grade you can receive for the quarter is a C if you do not complete the form. Please refer to the GT Guidelines about what is an acceptable experience. For MRHS students Solo and Ensemble Festival and All-State Auditions highly recommended. Marching Band can be counted as one experience for each quarter of the year since so many outside hours are required.**
